

Online Course Instructions

The course should take approximately 2 hours to complete. All participants must answer 70% of the quiz questions correctly as well as complete the evaluation to be awarded their credits.

Upon successful completion of this course, nurses and social workers will be awarded two (2) continuing education contact hours. All participants who meet the course requirements will receive a certificate of completion.

This continuing nursing education activity was approved by the Oncology Nursing Society, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This continuing social work education activity was approved by the Pennsylvania State Board of Social Workers, Marriage and Family Therapists and Professional Counselors.

This course includes video and presentation materials to assist you. We encourage you to download the course materials which will reinforce what you are learning and serve as a reference guide when you are presented with the opportunity to help women in need of free breast or cervical cancer treatment. Course materials will remain available for download throughout the presentation.

This course can be paused at any point to allow you to review your notes and course materials; however please do not exit the course once you have begun. The course must be completed in one session. There is no way to exit and save your progress.

The content of the course has not been influenced by any financial relationships with presenters, authors, or any commercial entity.

Funding for the production of this online course was provided by the NSABP.
